

Thank you FRESpace

Thank you FRESpace from the board of EdistoPride. We appreciate what you do every year for our Beach River Sweep! Not only did FRESpace sponsor our Beach/River Sweep Luncheon and serve over 70 volunteers, but the board members that could not be there on Saturday wanted to be part of our Edisto Volunteer Team and sweep. They donated their staff, businesses, spouses, or join with friends and other organizations to participate.

FRESpace board member Lindsey Young donated the Edisto Watersports for a successful collection at high tide of nine bags, lumber, buoy, broken plastic pieces, and foam.

FRESpace board members Iddy and Bill Andrews and others gathered and cleaned the upper part of the state park. They win hands down because later, they did a turtle nest

inventory and released baby turtles back on to a CLEAN beach to start their life. It makes one wonder when you read their trash report, WHY there was an egg carton on the beach. They also collected two signs, ribbon, a beach chair, a wire trap, two pieces of boat, flip flops and toys. We thank you again FRESpace and board members for contributing yourselves, your family, and/or your staff and business to support EdistoPride in 2013 Beach/River Sweep. Dave Blauch with his Lions Club crew, Beverly Sandifer with her FRESpace members, Jane Darby and Oliva Padgett served lunch along with Maurice Brown, Judy Blancett and Sjannah Sanders.

Please consider joining the board of FRESpace and/or EdistoPride for 2014!

Thanks to all for supporting Edisto Beach State Park, ACE Basin, and the Edisto Community! ■
